LOOKING TO THE FUTURE

Crossroads Church stands at a very important point in our existence. Due to the blessing of God and the generosity of our church, we are now debt-free! Looking to our debt-free future opens the possibilities to accomplish more for God's glory in our Church, through our Community Impact ministries, and Global Impact projects.

As we look to the future of our church, one thing remains constant. Our mission will always be to be and build disciples of Jesus Christ. So, how are we doing? Are we planning and living future-focused with clear direction or are we looking at the past?

How about you? If you are a Christ-follower, do you see yourself as "all in" or have you lost sight of what Jesus has called you to do?

If we are to be a future-focused church doing all that it takes to become more like Jesus and reach more people for him, we must go into the future making sacrifices, driven by core convictions, and willing to take risks.

We can't do it alone! Join in and find your place as we look to the future of Crossroads together!

TAKE A STEP

CHURCH DEVELOPMENT

It is exciting to imagine what God will do in the future with Crossroads Church. We want to follow His plans, and we know that includes making fully trained disciples. How do we go about doing that, and what is your role in His mission?

Moving forward, making more fully trained disciples will require:

- Additional Space
- Well-Supported Programming
- People Taking Steps

Additional Space

As more people continue to visit and become regular attenders, empty chairs are quickly filling up. Our new Whitewater Campus in Brooks, Georgia will provide additional space, but we must continue to prepare for growth. This may mean upgrading current buildings, opening additional sites, and adding more services.

Well-Supported Ministries

Additional space will require supplies, resources and equipment. These will support services and ministry events that help us reach more people and guide them to become fully trained disciples.

People Taking Steps

Our mission is all about people. When we look forward to the future of our church, we see you becoming all God wants you to be! What steps do you need to take to get to where God wants you?

COMMUNITY IMPACT

God continues to bless our Community Impact Ministries. Our goal is to make an impact in the culture as we meet the needs of our neighbors, interact with those around us, and support the community.

While our ministries have grown significantly over the past ministry year, our greatest challenge moving forward is having the infrastructure to support the demand for growth. Until we have the resources to expand our Food Pantry, ReNew Thrift Store, Crossroads Weekday Preschool, and Recreation, we will focus on maximizing our current facilities to have a greater impact. Projects include renovating, refreshing, and repairing our Recreation areas and exploring ways to expand our Food Pantry and ReNew Thrift Store.

With a goal to go deeper, many volunteers are needed in our Community Impact Ministries. Consider joining us and help influence our community for Jesus!

GLOBAL IMPACT

God is moving in hearts around the world! We want to join Him in His work. Our Crossroads Global Impact goal is to see a disciple making movement on every continent and in six intentional U.S. regions.

We are helping develop disciple making Pastors in churches around the world. We are also prayerfully seeking pastors who are led to become Church Planters in a disciple making church.

This ministry year, we will continue to use Impact Disciple Making tools to equip and train pastors, coaches, and leaders around the world.

ADMINISTRATION

Making more fully trained disciples and expanding our footprint in the community and around the world will be supported by the resources of our church. We look forward to the future with a plan to remain debt-free as we begin and complete projects. In order to avoid borrowing funds, we commit additional “over and above” financial support apart from our weekly tithes and offerings to fund growth.

This ministry year, our “over and above” Impacting Our World goal is to raise \$1,000,000 by the end of July, 2023. This amount will allow us to fulfill some of the future plans mentioned previously in this book.

We will continue to seek God in everything we do here at Crossroads, and we look forward to seeing how God will use us in the future!
