

Impacting Our World 2023-2024

This year, we believe God is leading us to fund the following three projects:

Making Disciples in Our Church

Our goal is to raise \$250,000 to start new campuses in areas surrounding our current locations. We pray God will use us to start four new campuses over the next several years which will allow us to help make many more fully trained disciples of Jesus. Currently, Coweta County is one of the fastest growing counties in the state of Georgia. Expanding campuses into neighboring areas will allow us to widen our reach in Coweta County as well as other counties and assist us in making room for the people God is sending to us. From childhood to adulthood, we are committed to making disciples within our church.

Making a Difference in Our Community

During this ministry year, we are seeking to raise \$550,000 to go toward infrastructure to expand our Recreation Ministry at our Thomas Crossroads and Sharpsburg Campuses. Site development projects such as clearing trees, developing roads, and providing for future sewerage needs will be some of our first steps in expanding our community efforts. As Coweta County grows, recreational activities are in high demand. By meeting this need in the community, our Recreation Ministry along with other ministries will provide more great outreach opportunities.

Making Disciple-Making Movements Around the Globe

The IOW offering will allot \$200,000 toward church planting efforts. Our strategy includes planting disciple-making churches in strategic regions around our country and on every continent in the world. Along with church planting, we are sending missionaries and supporting mission efforts that allow our short-term efforts to have long term results.

The total 2023-24 Impacting Our World goal is \$1 million. We believe these “over and above” gifts will come from the generosity of our church family. The amount may seem daunting, but God already owns it all. We must be willing to pray, believe, and give to support the mission of being and building disciples! Please ask God how you can be a part of Impacting Our World for Christ.
